

# Re-wiring the Brain for Academic Gain

2007 Conference on Advances in Learning & Literacy Intervention

## Melbourne

CQ, 113 Queen St, Melbourne  
Thursday 16th August, 2007  
8.00am - 1.30pm

## Sydney

Level 6, 190 George Street, Sydney  
Friday 17th August, 2007  
8.00am - 1.30pm

This conference will provide you with the latest information on how the convergence of neuroscience and computer technology is helping develop students' learning capacity and reading ability, and the consequences for students who continue to struggle.

Don't miss this unique opportunity to hear Dr Martha Burns, one of North America's leading experts in the application of neuroscience to learning difficulties. Dr Burns is in Sydney and Melbourne for these two days only. Book now!
